RE: Allied Iron & Steel

Attention: Susan E. Dees

Please provide the necessary information on endangered or threatened species and natural areas that are within the attached study areas. Two maps are enclosed defining the study areas. The first map is the 4-mile radius map of the study area. The second map is the 15-mile downstream map of the study area. As before, we will require a receipt for our donation. Therefore, attached is a letter of acknowledgment, which will serve as a receipt. As always, thank you for your time and attention.

Very Truly Yours,

John P. Chitwood
